On Track with Brightline West: The Future of High-Speed Rail Between Los Angeles and Las Vegas

Mr. Adrian Share

**Executive Vice President, Rail Infrastructure
Brightline West**

Adrian Share is responsible for overseeing the design and engineering of the rail system, maintenance depot and related rail infrastructure of the Brightline West line. Mr. Share is a 30-year transit veteran, who previously worked at Brightline Florida, overseeing the engineering, construction management and final delivery of the Miami to West Palm Beach segment as well as the engineering and environmental work of the West Palm Beach to Orlando segment for rail infrastructure. Prior to joining Brightline Florida, Mr. Share served as Florida District Leader and Program Manager at HNTB Corporation, and also as the Florida High-Speed Rail Project Manager from 2008 to 2011. Mr. Share holds a Bachelor of Science in Civil Engineering from Tulane University and also holds a Master of Business Administration from Northeastern University. He is a Professional Engineer in Florida and previously served as the Chair of the Transportation Committee of the Florida Institute of Consulting Engineers.

Ms. Greta Seidman

**Director of Public Affairs
Brightline West**

Greta Seidman directs public affairs activities for Brightline West, including public outreach, communications, and building stakeholder relationships. Prior to joining the Brightline West team, she served as the Director of Communications for Nevada HAND, Nevada's largest nonprofit affordable housing developer and manager, creating and implementing strategic messaging campaigns and leading all media relations, crisis management, stakeholder awareness, and government affairs activities for the organization. Seidman also served as Vice President of Marketing and Brand Strategy for the Las Vegas Chamber of Commerce. She holds a BA and MBA from the University of Nevada, Las Vegas. She is a 2011 graduate of Leadership Las Vegas and was named one of VegasInc.'s "40 Under 40" in 2018.
